Guiding Children to the Rock!

What is Rock Amplified?

The name says it all! Like a sound wave being sent from an amplifier, Rock Amplified has been sent out to bring the message of the Rock Church to the local community. These services include live and dynamic worship, campus pastor, and of course, the message from Pastor Miles via satellite. People who attend Rock Amplified find the quality of a large church with the familiarity and personal interaction of a smaller church.

Why should I check out Rock Amplified?

If you are looking for a way to get plugged into the Rock Church, to fellowship with other believers, and you want to be part of the evangelistic force affecting our surrounding community, check out Rock Amplified.
