A Message from Miles

Thank you for joining us and welcome to the Rock Church. After 7½ years and 33 moves, God has blessed us with our first permanent home. I'm so excited about how God is going to use our new home to help us accomplish our mission to save, equip and send out soul-winners for Jesus Christ.

Over 6 weeks I'll be teaching a series called Image is Everything. Because so many people are preoccupied with their personal image, it is critical to understand what the Bible has to say about image. The very first book and chapter of the Bible tells us that we were made in the image of God. The rest of the Bible is spent telling us about God. The more we learn about God and how He wants us to be like Him, the more our intended self image will be made clear.

This series will also serve to review who we are as a church as we begin our life over in this new building. Many of you are new and are in the process of choosing a church. A critical step in that process is clarifying what the church believes and represents.

To watch or podcast the message, take a 360 degree virtual tour of our new home, or just plug in, please check out our new website, www.therocksandiego.org.

See you next week,

Miles McPherson
