The Mission of the Rock Church...
is to Save, Equip and Send out a motivated ARMY of believers who engage every segment of society while remaining true to our DNA.

Miles McPherson is the Senior Pastor of the Rock Church and author of Do Something! Make Your Life Count. He is also the founder of DoSomethingWorld.org, which unites churches, governments and organizations across the globe to be a catalyst for change in their own communities. The Rock is one of the largest churches in the US and home to over 100 outreach ministries. In 2010, the Rock Church donated 228,000 hours of community service to the City of San Diego.
