It's been said, "Rules are made to be broken." That may be true for some or even most rules. But for the rules that govern the Los Angeles Fire Department, they are never to be broken. Ever. The rules save lives. The rules have been tested and proven. They are created out of painful lessons learned.

That is why it is all the more shocking that as Firefighter Cheyane Caldwell lay in an inferno and melting to death that his Captain, the ultimate keeper and executor of the rules, suddenly began to consider breaking them.

It's not what ordinarily happens. But for Cheyane Caldwell and his Captain, this was no ordinary fire.

MESSAGE FROM PASTOR MILES

Dear Family,
 2011 has flown by and as I reflect on the past eleven months I am reminded of how much we have to be grateful for. I want you to know that your partnership and support of the Rock Church is something I deeply and profoundly value.

As of November 2011, the Rock has donated more than 200,000 volunteer hours to the City of San Diego, launched Rock TV on CW 6 and started a LiveStream Sunday experience through which we are reaching a global audience.

While these accomplishments are exciting and have been used by God to expand His Kingdom in San Diego and the world, they are just the beginning! In 2012, I believe God is calling us to even greater places of faith and trust so that Pervasive Hope can be established in San Diego and to the ends of the earth. As you think about making a year-end donation, I pray that you will consider giving to the Rock to further support this vision.

This season, as you celebrate Christmas, remember that Jesus Christ, sent by the God of all hope, is the gift that matters most.

Your Pastor,
Miles McPherson

The Rock offices are also open for calls or hand deliveries through December 30. We are so grateful for your generosity! Giving statements are distributed end of January. Update your information on the side panel in this bulletin. For questions, call 619.226.7625 or email giving@sdrock.com.
