**+ SHARE YOUR STORY AT [SDROCK.COM/STORIES](http://SDROCK.COM/STORIES)**

**S**onya Andrew had always heard that death was permanent. She even believed it. She had experienced death before with family members, so she wasn't naïve. She new when it came to the end of life, the rules are not broken or bent.

But when death came to her fiance', Eric, she no longer accepted death as an absolute. Somewhere, somehow, there must be another way to look at death.

There had to be.

Her goal was to rip a hole in the realms, to reach a hand through the bounds of earth and bring him to her. She would need a powerful spirit to help get her there.

But she would need a Savior to help get her back.
