There are times when God seems to make no sense. It can be a painful time of questioning His love and wisdom.

And there are other times when God makes no sense...and you can find yourself asking, "Why has God decided to bless me so much?"

That's what happened to Angélique Zucconi. There in the middle of her day as she worked at her job in a salon in London, God spoke to her and changed her life in a way that brings such joy to her heart she can hardly contain it.

Why did God do it? Perhaps love doesn't need a reason.
