is to Save, Equip and Send out a motivated ARMY of believers who engage every segment of society while remaining true to our DNA.

Miles McPherson is the Senior Pastor of the Rock Church and author of Do Something! Make Your Life Count. He is also the founder of DoSomethingWorld.org, which unites churches, governments and organizations across the globe to be a catalyst for change in their own communities. It is not often that you see someone at work and feel as though that person was divinely appointed for it.

That was the experience of Ted Vaughn, Director of Production and Creative Arts at the Rock Church the first time he saw Stefanie Kelly.

"When Stef leads worship, you're watching a rare combination of talent, calling and design in one person. She loves God so much it comes out in her ability to lead others in worship. She isn't trying and she isn't doing. She's simply living her design."

In 2007, Stef became the Rock Worship Arts Director and brought a level of excellence that the Rock hadn't experienced before.

After five years, Stefanie leaves the Rock to join her husband in Ridgecrest, California, where he is a Navy test pilot.

Today, welcome Stef back as she leads us in worship. Also, visit her in the lobby where her new CD is available and features songs penned at the Rock.
