It's rare that someone comes back from something as devastatingly brutal as what Jessica Yaffa went through. Extreme control that borders on imprisonment. Verbal grenades. Hitting. Stalking. Threats. Beatings. Unspeakable violence and violation. If they live, most people will go into survival mode for the rest of their lives. Memories have a way of becoming demons. If there is any normalcy, it is for brief moments before they must return to the battlefield in their mind.

But Jessica's life does not follow convention. She has not only survived, she is proof that even ashes can find new life.

Today she has represented hope and healing to more than 5,000 victims of domestic violence as the leader of the Rock's H.E.A.L.I.N.G. Ministry. It's the result of one man's intent to destroy his wife and God's intent to cause "everything to work together for the good to those who love God and are called according to his purpose."
