Miles McPherson is the Senior Pastor of the Rock Church and author of "Do Something! Make Your Life Count." He is also the founder of DoSomethingChurch.org, a vibrant affiliation of churches around the world dedicated to establishing Pervasive Hope in their communities through proactive community service. RECLAIMING YOUR STORY
FAMILY HISTORY & SPIRITUAL GROWTH

A

my Donahue was always very clear about the kind of person she was. Strong. Brash. Opinionated, unapologetic and completely unafraid of who might oppose her.

It shocked people. She liked that.

That's why it is all the more surprising when she met Steven. None of what she was or thought she was mattered. He was completely unimpressed.

Nobody but nobody had that reaction to her. She had to find out what made this guy so different that he didn't see her the way everybody else did. So she stepped into the relationship.

If she thought all that was going on his head was weird, it was nothing compared to what was about go on in hers.
