ROCKPILE | D'LUSH

Now through Oct 15, spend \$10 in the Rockpile Bookstore and get a free iced drink from Dlush (with the purchase of a large blended drink).

standing on El Cajon Boulevard with a teammate on a brisk winter night behind a makeshift hot chocolate stand. I can feel the eyes on me. Some are safe eyes. Some are not.

We have come here to attract girls who are forced into walking this street, girls who are trafficked in the sex trade. I'm hoping my hands wrapped around this cup, my smiling face and a large "free" sign will get them to ask me for hot chocolate and perhaps I can offer to get them off the street, or the track, as it is called. The night is growing older and colder. The girls are busy; slow-driving johns are everywhere. I continue scanning and smiling at each girl, modern-day slaves.

Suddenly, I get a text from another member of my team, posted along the track. The text says a young girl has agreed to let us take her from the streets; she even asked to be rescued...and she is coming toward me.
