The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson is the Senior Pastor of the Rock Church and founder of DoSomethingChurch.org, a vibrant affiliation of churches around the world, dedicated to establishing Pervasive Hope in their communities through proactive community service. The Rock is one of the largest churches in the US and home to over 120 outreach ministries. In 2012, the Rock Church donated 233,712 hours of community service to the county of San Diego. This year, the Rock Church is expanding to include a campus in east San Diego county and continuing God's work to reach every street and every person for Jesus.

Are you married? Have kids?

I have a beautiful wife who actually works here at the Rock, and two lovely teenage daughters.

With all your responsibilities at the Rock, do you get to see them much? Well when I was running corporate shows, I used to have to run an operation this size and pack it up, stick into trucks and head off to the next city to do it all over again. I work hard here at the church, but the great thing is that they actually push you to leave and go home. I couldn't ask for anything more.

How would you describe your job? I make sure that all the equipment that displays, transports or houses video are up and running. In collaboration with our IT department, I also run or oversee the closed captioning, encoding, streaming for online broadcasting and getting Miles transmitted to all the multi-sites. I have to keep it all running seamlessly.
