The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

BY: DAVE FRANCO

"Look, you two," a friend said, "we can all respect that you trusted in your God to give you a baby the natural way, but it's been how many years and you still aren't pregnant?"

"Three and a half," Lindsay replied standing along side her husband. "Three and a half years! Just go to the doctor and get it done artificially. C'mon. You're in your 30s."

Lindsay and Matt had already heard similar sentiments from other friends and family who had walked the road with them and had grown impatient when a pregnancy was never announced. Along with all the negative pregnancy tests, the pleading with God for understanding and getting none, seeing specialists to find out what was keeping it from happening and never getting answers, and the different how-to-increase-the-likelihood-of-getting-pregnant methods that never worked, the belief from some friends that God had let Lindsay and Matt down was one more bit of very unwanted news.
