The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. BY: DAVE FRANCO

"Why do you do white guy's stuff?" the kid said to Steve, who at 10, had just skateboarded all over the black top in their Williamsburg, Virginia neighborhood. Steve thought about it for a while. He thought about how much he loved the feeling of being on his board, alone with his thoughts and feeling the wind rush over his skin. He liked football, basketball and all the sports all his friends did. But he just wasn't good at them—not a natural, like he was at making his board do things others couldn't.

"It's just what I do," he said in reply. "Well, you have to knock it off," the friend said as Steve sped away, happy to have spoken the truth.

It was a rather defining moment. Had Steve listened to his friend, he may not have ever had the blessed life of becoming a pro skater, becoming a successful graphic artist in the skateboard industry, or becoming the skateboard ministry leader at Rock Church.
