#### The Mission of Rock Church is to Save, Equip, and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus. I have been arrested more time than I can count. I have more mug shots than school photos. I have done both county jail time and state prison time. I was the kind of criminal that thought that every time I was back out on the streets, this time, I'd find a way around the law. But eventually everyone gets caught. The criminal life is a fool's life.

Even though you'd think that after so many times in cuffs, or in the back of a police car, or cramped in a holding tank with 40 other men waiting to go to court, that I would have gotten used to the drill. But each time I had my freedom taken from me, it was devastating. It didn't matter how short my sentence was, there was always a horrible feeling that came from finding out that my freedom was being kept from me. Anyone who came to see me probably thought I wasn't suffering at my home-away-from-home in county blues or orange jump suit. But I was suffering.

Come in for our September deals. 20% off all shirts, 40% off one book of your choice, 25% off NIV & NKJV study Bibles.
