The Mission of Rock Church is to Save, Equip, and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 18 services every weekend, with a weekly attendance of over 15,000 people at their four locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. SDROCK.COM/TITHECHALLENGE

Ronnie Holderby was born in Corpus Christi, Texas, raised as part of a family of seven—four boys, one girl, with a loving father and mother. Ronnie was taught to always work and play hard. His goal? Become a real man's man. He set out to outthink, outwit, outwork anyone he came across, and outfight them, too, if the situation required. He didn't talk about his feelings and never cried—he was taught real men don't do that, and they never give up. He became successful in the world as an owner and CEO of a large construction company. He built and owned multiple homes, had nice cars, trucks, boats and all kinds of recreational toys. He was a husband to a beautiful wife and father to three strapping boys. He was good at the game of baseball and played many years for the love of the game. He and his twin brother managed and coached a men's travelling team that went around beating teams in other states. When he was out with the boys, he laughed heartily, went to strip clubs, drank hard, snorted cocaine in crazy amounts, and stayed out so late that some nights, he never came home at all

Yup, make no mistake about it, big Ronnie Holderby, Texas drawl and all, who lived for himself first, knew the definition of a man. Problem was he didn't know God's definition of a man. And he was about to find out.
