

FEATURED STORY

BY SANTIAGO RUIZ WITH DAVE FRANCO

## THE GOOD LIFE GETS BETTER

What was I missing in a life full of everything I could ever want?

Suddenly, it occurred to me. Pastor Miles presented a God who was seeking a relationship with His people. A relationship that is real and personal. I had never heard that before, or maybe I had and just never really paid attention. Either way, I knew that at this moment in my life, God was calling me. He was literally speaking right to me.

My wife and I went down to the front in response to the altar call, and I knew that this was different. I knew something had changed inside of me, but I had no idea how different my life was going to become. At one point soon after, when we were trying to get into an rGroup, we were encouraged to start our own. I was shocked by the suggestion. I had just been saved myself, how was I going to lead someone else, let alone a group of people?

But we were told that all we had to do was open our home and the Rock would supply everything else. So, we decided to do it. And despite thoughts of canceling the group and not meeting, the very first night, two or our friends accepted Jesus. We were like, *what's going on here...*
