### **D12 Monthly Focus for August: Values Making Disciples That Make Disciples**

#### **Sermon Application from Sunday's Message:**

On Sunday, Pastor Miles talked about how God gives us our spiritual gifts and how we are to use them for the Kingdom of God. The giver understands the receiver and gives a gift that is compatible with who they are. God is the giver and we receive from Him. Spiritual gifts defined are the Spiritual instrument of the kingdom that facilitates the fulfillment of God's mission on your life.

**As a group take time to read through the following statements and discuss the questions below. As a group read 1 Corinthians 12 to learn more about spiritual gifts.**

1. Like Jesus, we minister by using our gifts to fulfill our mission.
  - What are your top 5 spiritual gifts? If you have not yet taken the gifts test please have everyone in the group take it by texting GIFTSTEST to 52525.
  - If you know what your spiritual gifts are how can you use those gifts to fulfill the mission that God has for your life?
2. Like Jesus, we mentor others by helping them discover and leverage their gifts to fulfill their mission.
  - Who are you currently mentoring? Do you know what their spiritual gifts are? If you don't know what their spiritual gifts are, what do you think they may be?
  - How can you collaborate with your mentee to help them leverage their gifts to fulfill their mission?
3. Like Jesus, we multiply disciples by deploying others to use their gifts to fulfill their mission.
  - Who are the people in your life that you are discipling? Have you had a discussion with them regarding the mission that God has for their lives? How does God want to deploy them into ministry work?
