D12 Monthly Focus for November: Gratefully Grows in Generosity

Sermon Application from Sunday's Message:

This Sunday, Pastor Miles started a new series called KINGDOM BUILDERS. Kingdom is a place where God rules. A builder is a developer, increaser, expander, enhancer, and multiplier. All throughout the Bible, there have been incredible kingdom builders who were all about building the Kingdom. For example, Daniel served in Nebuchadnezzar's government. Joseph was in the Egyptian government. God had "all in" access to Daniel and Joseph's lives. God wants "all in" access to every area of our lives, as well.

As a group, take time to read through the following statements and discuss the questions below.

1. Give God's authority ALL IN access to your PRIDE. Read: Jeremiah 29:4-13
 - o Instead of being prideful, how will you humble yourself and give God all access to your heart? Discuss.
2. Give God's provision ALL IN access to your DESIRES. Read: Matthew 6:33
 - o Have you given your desires to God? Do your desires line up with God's will for your life? Discuss.
3. Give God's power ALL IN access to your WEAKNESS.
 - o Spend some time during your group time sharing your weaknesses. Then, pray for His strength to fill you where you are weak.
