Monthly Discipleship Focus for May:
Demonstrate a commitment to a
Spirit-filled expression of my gifts.

As a group, read the statements and scriptures then respond accordingly:

1. Giant Killers walk by FAITH not by sight.

1 Samuel 17:23-24

Submit to the Spirit of God based on faith, not on things you know. Share a quick story of how you stepped out on faith in regards to a job, a move, or a relationship, not knowing what the outcome would be.

2. Giant Killers know when to STEP UP.

1 Samuel 17:31-35

We all have been tested in our lives, so it's important to know when to *step up* or *grow up*. Share a situation where you may have reacted / responded in such a way that later you realized you could have handled with more maturity.

3. Giant Killers focus on the victories of the PAST.

1 Samuel 17:36-37

We all have been delivered from many things before we had a relationship with the Lord. Briefly share one thing from your past from which God saved you and is part of your story today.

4. Giant Killers TRUST GOD to save the day.

1 Samuel 17:42-50

Obstacles are all around us. Give a real-life example of how God stepped in to open a door for you, where you know without a doubt that it was because of His grace and not your own merit.

This Month's Memory Verse:

"And He Himself gave some *to be* apostles, some prophets, some evangelists, and some pastors and teachers." ~Ephesians 4:11 NKJV
