Dialed-In Prayer

August 8, 2021

Monthly Discipleship Focus for August:
Values making disciples that multiply.

Before there were any electronic recording devices, TV and radio shows encouraged us to “tune in” next week for the next chapter or episode. If we didn’t want to miss a show, we would have to faithfully “dial in” each week to get the latest. Favorite shows were rarely missed because a routine was followed. Read Mark 9:21-24 then review the questions and statements that coincide with Sunday’s message about “tuning in” to conversations with God.

- When we tune in to God, we join a positive conversation between the Holy Spirit and God that is already in progress.
 - What is your biggest doubt or concern or hesitation about praying for yourself or someone else?
 - What is a supernatural prayer request you have?
- As a group, pray together using the AWCIPA Model:
 - **A** Admire – Give thanks to God.
 - **W** Wait – Wait for God to speak to you.
 - **C** Confess – Confess or agree with God.
 - **I** Intercede – Pray for others.
 - **P** Petition – Pray for yourself.
 - **A** Admire – Give thanks to God

This Month’s Memory Verse: Matthew 9:37

Then He said to His disciples, “The harvest truly *is* plentiful, but the laborers *are* few.”
