**Monthly Discipleship Focus for October:**  
Is Dependent on the Power of Prayer

*Pastor Miles continued his series exploring the mysteries of prayer, using “bubbles” as a metaphor to understand this act of divine communication. In Part 2, Pastor Miles teaches us to expect God to perform supernatural phenomenon and leads us in prayer for personal miracles.*

- Pray for God to make the impossible POSSIBLE (Matthew 19:26). There may be unbelief in your mind, but know that God will give you wisdom and faith to trust Him. Take 30-seconds and pray specifically for God to make the impossible possible in your life.
- Pray for the supernatural and MIRACULOUS to overcome the natural (Deuteronomy 10:21). God has created opportunities that you never imagined, accelerating things according to His plan. Take 30-seconds for God to give you power to live out your purpose with clarity and for open doors to live out your destiny.
- Pray for a BREAKTHROUGH in your spiritual warfare (Ephesians 6:12-13). You are in a battle every single day. Take 30-seconds that God would give you the courage to fight the spiritual warfare and the strength to fight the bondage in your life (low self-esteem, sexual addiction, cursing, depression, pornography, drugs, and more) knowing God will set you free.
- Pray for HEALING of something that is sick (James 5:14). God can heal physically, emotionally, spiritually, and socially. Take 30-seconds to pray for God to heal one person in your life.
- Remember the AWCIPA Prayer model (3-5 minutes per bullet)
  - A – Adoration – Thank God for His goodness
  - W – Wait – Sit quietly and listen
  - C – Confess your sin – Admit to and ask forgiveness for an offense
  - I – Intercede for others
  - P – Petition for yourself
  - A – Adoration – Thank God again
