Monthly Discipleship Focus for November:
Gratefully grows in generosity

On Sunday, Pastor Miles continued the Make a Difference series, sharing from 2nd Corinthians 8. He also took time to interview our team about our global digital initiatives that reach those around the world. Visit <https://www.sdrock.com/makeadifference/> for the Make A Difference Initiatives.

Read 2 Corinthians 8:1-9, discuss the statements below describing what the attitude of giving should look like, then answer the questions:

- Their giving went BEYOND their ability (2 Corinthians 8:1-3). Do you find it difficult to give by faith, giving beyond what you can see or afford?
- Their giving was done FREELY and willingly (2 Corinthians 8:3). Do you give cheerfully when you realize God has supplied you with the money/resources to give?
- Their giving was done with URGENCY (2 Corinthians 8:3). Some people just *have to* help others. Is it a little easier to help others than it is for you to give your first fruits to God?
- Their giving of finances followed the giving of their HEART (2 Corinthians 8:5). You have to give your heart to God first. Share another way that your actions serve God.
- Their giving VALIDATED the sincerity of their love (2 Corinthians 8:8-9). If you love God, keep His commandments. Have you ever helped out widows, orphans, the poor – if so, how did that resonate with your heart?
