Monthly Discipleship Focus for November:
Gratefully grows in generosity.

*On Sunday, our Online Campus Pastor, Vince Freeman,
spoke about growing in deeper relationship and intimacy with God.*

Read Mark 10:17-22, then review the statements and answer the questions below:

1. The way we approach Jesus says a lot about us. How are you APPROACHING Jesus - do you have intentions on wanting to know Him more or are you concerned with how you are viewed by other people?
2. Names are important, because what you call someone reveals what you believe about them. Is He your last resort, Judge Judy with a gavel, your Grandma's Savior, or a main character in a book that you read every now and then? Or is He the Alpha and Omega, King of Kings, and Lord of Lords? The highest title that you give Jesus in your life, reveals how you respond to His commands What TITLE have you given Jesus in your life?
3. We create and live by our own standards all the time. If our standard is based on our own performance, we're in deep trouble because self-righteousness is worthless. If you're relying on your own goodness to be made right with God, you'll never be good enough. What's standing in the way of you COMPLETELY following Jesus?

This Month's Memory Verse

"A good man deals graciously and lends; He will guide his affairs with discretion." ~Psalm 112:5
