Satanic Agreements
September 25, 2022

In this message, Pastor Miles explains how we unknowingly have agreements with the devil. He encourages us to identify one agreement that we have made, and to break it today.

Based on the [broadcast message](#), review the following statements and questions below, then briefly respond accordingly within your group:

1. **God created us to RULE** (Genesis 1:26-28). We were created in God’s image and were given dominion by the Lord, so it is our responsibility to maintain our space. Share something unique about you that others may not necessarily know about.
2. **When you sin, you give Satan AUTHORITY over an area of your life.** Do you realize that every single one of us has made daily agreements with the enemy? Know that we have control over ourselves and how we respond to what’s happening around us.
3. **Adam and Eve SURRENDERED their authority through a satanic agreement** (Genesis 3:1-6). If you feel led to, briefly share an instance where you had an “agreement” with the enemy, that ended up causing lots of pain and suffering in your life.
4. **Agreements give Satan LEGAL authority over an area of your life** (Job 1:12, Job 2:6, Luke 4:5-6, 1 Corinthians 10:12-13). What has the enemy convinced you to NOT to do? (forgive someone, be truthful, etc.)
5. **Satanic agreements can only be BROKEN in Jesus’ name** (Matthew 28:18-20, Colossians 2:9, Colossians 2:14-15). You are blessed. When you pray, claim victory over the enemy’s lies in Jesus’ name. Believe and receive His God’s forgiveness today.

September Memory Verse – Psalm 48:14 (NKJV)
