### A Heart After God's Own Heart

November 20, 2022

*This 6-week series focuses on the discipleship values we want to cultivate. In Part 6, Pastor Miles discloses how an obedient heart undertakes and fulfills God's assignment for their life as he examines David's early life.*

Based on the [broadcast message](#), review the following statements and questions below, then briefly respond accordingly within your group:

1. **An Obedient heart receives his assignment for God's house** (Read - 1 Samuel 16:7-13) Samuel's assignment was to be obedient to what God had called him to do. How often do you filter what you believe God's telling you to do, by putting your own 'spin' on it?
2. **An Obedient heart acknowledges God's preparation for their assignment** (Read - 1 Samuel 17:34-37) David relied on other times where he had seen God provide/protect/go before him. Considering this he knew God was with him. Where have you seen God at work in your life, as you consider where he's leading you to be more involved with His house?
3. **An Obedient heart serves for the glory of God's house** (Read - 1 Samuel 17:45-46) When we recognize and walk in God's power, we are capable of so much more than we think. Do you feel God's presence in your life as you consider taking a bigger step of faith on your journey with Him?

### November Memory Verse – Psalm 112:5 (NKJV)

A good man deals graciously and lends: He will guide his affairs with discretion.
