Pastor Travis Gibson

Don't Forget to Say Grace!

November 27, 2022

In this message, Pastor Travis reviews the story of Jesus healing ten men with leprosy to present four gratitude statements for you to use and declare over your life.

Based on the [broadcast message](#), review the following statements and questions below, then briefly respond accordingly within your group:

1. Whatever blessing I have that's good **is from God** (James 1:17). If a blessing doesn't turn into praise, it can quickly turn into pride. Name something good in your life that you know is from the Lord.
2. Whatever I've been given **is enough** (Philippians 4:19). ALL that you have is more than enough. There are things you have that may seem insignificant to you, but are extraordinary to others. When was the last time you looked at your life and took a quick inventory of all your many blessings (whether natural, physical, material, or spiritual)?
3. Whatever I'm going through **has purpose** (1 Thessalonians 5:18). Think about just one recent trial in your life. As you look back, what did you learn that made you a better person today?
4. Whatever gift I'm asking for will never compare to the gift **I've already been given** (2 Corinthians 9:15). Christ sent His only son to be born on this earth, walk among us, and return to His Father in Heaven. Have you shared your testimony with someone who doesn't know the Lord? If not, pray about whom to invite to church this Christmas.

November Memory Verse – Psalm 112:5 (NKJV)

A good man deals graciously and lends: He will guide his affairs with discretion.
