

## Rock Church Point Loma

Pastor Miles McPherson

### [Pray for Peace](#)

Broadcast message from October 15, 2023

*In this message, Pastor Miles addresses the current war in Israel, discusses the origins of Israel, and emphasizes the importance of praying for peace in Israel.*

In your group, read the scriptures and review the points below, then respond accordingly:

1. **God created a covenant nation** (Genesis 12:1-3, 26:3-4, 35:11, Ezekiel 36:28, Deuteronomy 7:7-8). Our faith is grounded in the Old Testament; without it, there would not be a New Testament.

*Discussion: God has an amazing plan for you. Briefly tell your group about something that happened in your life where man could not stop God's plan from taking place.*

2. **There is a covenant nation's conflict** (Genesis 21:2-5, Ezekiel 36:28, Ephesians 6:12-13). God said He will make our nations great, but there is constant conflict all around us.

*Discussion: When there is any type of conflict or tension in your life, it is spiritual, not flesh and blood. Give an example where the enemy tried to destroy a relationship between you and someone close to you.*

3. **Pray for our nation and beyond.**

*Discussion: Take some time to pray for Jewish communities, Palestinian communities, World Leaders, Pastors as they lead, Christians to be bold in sharing the gospel, and all of the families impacted.*
