

Rock Church Point Loma
Pastor Miles McPherson

[Heart for The House: Part 1](#)

Broadcast message from October 29, 2023

In this message, Pastor Miles explains Rock Church's vision and mission, highlights involvement opportunities, and discusses Just 1, an upcoming gospel training program.

In your group, review the points and scriptures below, then respond accordingly:

- You want just enough church, just enough Bible study, just enough prayer, but don't want to go crazy.
- You are not a disciple, but a student, if all you do is get head knowledge, just learning Bible information.
- We all have access to different things given by God. Partner with Him, following Jesus' example on how we should live since we were made in His image.

Vision: Establish Pervasive Hope (Acts 1:8) by getting the gospel to those around us, as Jesus commands.

Mission: Know God, Grow in Community, and Make a Difference (Matthew 28:19-20)
Know God | 7,000 people lead one person to the Lord (someone you know needs God)
Grow in Community | 50% in small groups (connecting with others)
Make a Difference | 25% serving on a team (volunteering)

What is Just 1? A gospel training designed to empower believers to lead at least 'Just 1' person to the Lord and help them do the same.

Why Just 1? It is the heart of God! (Luke 5:29, Luke 15:1-10, Luke 15:32)

How Does Just 1 Work? 3-hour training, small group curriculum, training events, etc.

Discussion: Think about those in your life who do not have a personal relationship with Christ. Begin to pray for God to prepare your heart on how to reach out to them. Can you make a commitment to lead just 1 person to the Lord? Do you think you could then help them get just 1?
