

It Ain't About You, Mo!

Exodus 3-4

October 3, 2004

1. Moses expressed his **insecurity**, so God **encouraged** him with His eternal presence. Therefore, we must increase our awareness of the implications of God's constant presence.

It is not about who you are, but whose you are.

2. Moses claimed **ignorance**, so God **educated** him with His name.

Therefore, we must acknowledge the Majesty of God.

YHWH – I AM THAT I AM

("Adonai" means Lord – Y a H o W a H or J e H o V a H)

Jehovah had no beginning; – He is the uncaused cause.

Jehovah exists and rules now.

Jehovah will have no end; He is eternal in nature.

Jesus said, "..... before Abraham was, I AM." (John 8:58)
