## FROMTO Book of 1 Samuel: Part 2

Listen (1 Samuel 3) Pastor Miles McPherson – May 25, 2008 Memory Verse - 1 Samuel 2:30 © 2008 Miles McPherson

## FROMTO Context Quiz:

| God to <u>man</u> leadership 1 Samuel 8                                                              |   |
|------------------------------------------------------------------------------------------------------|---|
| King elect to King <u>reject</u> <b>1 Samuel 13-15</b>                                               |   |
| David – Shepherd to Giant <u>Killer</u> 1 Samuel 17                                                  |   |
| Hannah was Samuel's <u>mother</u> .                                                                  |   |
| God's desire – A man who will lead after His own <u>heart</u> and <u>mind</u> . <b>1 Samuel 2:35</b> |   |
| Samuel went to serve <u>Eli</u> after weaned - about <u>three</u> years old.                         |   |
| Samuel would become the last <u>Judge</u> before the first King, <u>Saul</u>                         |   |
| Samuel, like Jesus would hold all three major offices, prophet                                       |   |
|                                                                                                      |   |
|                                                                                                      |   |
|                                                                                                      |   |
| 1. Prepare with to hear the voice of God.                                                            | 1 |
|                                                                                                      |   |

2. Respond to His voice \_\_\_\_\_\_.

3. Respond \_\_\_\_\_\_.

4. Respond \_\_\_\_\_\_.

1 Samuel 9-10

Samuel 3:9-10

1 Samuel 3:1-5

1 Samuel 3:6

1 Samuel 3:7-8

## What changes do you need to make in order to change?

| FROM not hearing God's voice | TO hearing God's voice |
|------------------------------|------------------------|
|                              |                        |
|                              |                        |
|                              |                        |
|                              |                        |
|                              |                        |
|                              |                        |
|                              |                        |
|                              |                        |
|                              |                        |
|                              |                        |
|                              |                        |
