

Greetings Rock family, Pastor Miles here.

I want to take this opportunity to thank you for your heart of generosity. It is no secret that the complications and difficulties of the last couple of years have provided new opportunities for our faith to be stretched, and as your pastor, I am incredibly encouraged that you have given God your “yes” by trusting Him with your financial resources.

In times of peace and prosperity, it is relatively easy to see that God is faithful. However, in times when it feels like the rug has been swept out from underneath us, we are reminded by His word that God is still faithful. He is radically generous, and He is faithful to provide for the needs of His people.

As a church family, we have seen God move in profound ways over the years. We have been blown away as we have watched God take the resources He has entrusted to us and bless the community of San Diego and beyond. He has always done exceedingly and abundantly above what we could ask or think (Ephesians 3:20). As we have witnessed Him showing up time and time again, we have determined in our hearts that we will always choose to be a generous and serving church.

The Make a Difference initiatives are practical expressions of this determination. We believe that all generosity is a response to God working in our lives - the overflow of a relationship with Him!

As we move forward, we ask that you prayerfully consider how God is asking you to reflect His heart of generosity in this season. Importantly, this isn't just about the Make a Difference initiatives. We would love it if you would partner with us in sowing into the vision that God has entrusted to our church. But more importantly, we want to encourage you to reflect on what God has done in your life and ask Him how he wants you to respond.

Whichever direction the Lord leads you, we pray that Proverbs 11:25 will be a core value of your growth in God. “Whoever brings blessing will be enriched, and one who waters will himself be watered.”

With much gratitude,

Miles McPherson
