Lasting Joy

We are truly so glad to have connected with you, and we hope that you have been blessed by the toys, food, and other resources that you received at the Toys for Joy event. More than anything, we want you to know how loved and seen you are. God sees you, and he cares deeply about you. He has not exhausted his kindness for you. Instead, he has true, long-lasting JOY to offer you that will last far beyond Christmas day.
