## **Posting**

Converting RYCE Facebook Page to a Group - Keep the Do Something Church theme and focus on activism in the city

- Ask people to post their stories, photos and videos of how they are serving
- Create FB event pages in the group of volunteer opportunities so they can be shared and engaged with on social media
- Use consistent hashtag of #rockyourcitysd

Develop a place on the website to show where people can serve and what opportunities there are. Put the large ideas and then add the new FB group feed.
